

Risk Management Premium Credit Options

PLICO, a MedPro Group/Berkshire Hathaway Company, has a strong tradition of risk management education built on more than a century of expertise. That tradition continues with the added advantage of flexible educational opportunities offered in a variety of formats including live seminars, online continuing medical education (CME), office staff trainings, and assessments. Learn about current and emerging patient safety and risk issues in a meaningful way that meets your needs. Many options offer PLICO policyholders the opportunity to earn continuing education (CE) and premium credits.

Risk Management Premium Credit Details

Insureds and noninsureds can take advantage of educational opportunities provided by MedPro Group. PLICO insureds who successfully complete risk courses may be eligible for a risk management premium credit at their next policy renewal. Specially negotiated risk discounts may preclude individual risk credits. Premium credit eligibility and amount are subject to insurance filings and policy type. Completion of a risk management course does not imply or guarantee renewal. Premium credit from PLICO does not imply acceptance of CE credit by a state or provincial board.
