

# Risk Management Premium Credit Options

PLICO believes a strong risk management program improves patient care and protects providers from liability. That's why we offer access to MedPro Group's 120 years of experience and strong risk management education. We offer flexible educational opportunities in a variety of formats including live seminars, online staff trainings, and assessments. Learn about current and emerging patient safety and risk issues in a meaningful way that meets your needs. Many options offer policyholders the opportunity to earn continuing education (CE) and premium credits.

## Risk Management Premium Credit Details

Insureds and non-insureds can take advantage of educational opportunities provided by MedPro Group. Insureds who successfully complete risk courses may be eligible for a risk management premium credit at their next policy renewal.
