

Risk Management Premium Credit Options

(effective 5/1/2026)

PLICO believes a strong risk management program improves patient care and protects providers from liability. That's why we offer access to MedPro Group's 120 years of experience and strong risk management education. We offer flexible educational opportunities including live seminars and online courses. Learn about current and emerging patient safety and risk issues in a meaningful way that meets your needs. Many options offer policyholders the opportunity to earn continuing education (CE) and premium credits.

Risk Management Premium Credit Details

Both insureds and non-insureds can take advantage of educational opportunities provided by MedPro Group. Insureds who successfully complete risk courses may be eligible for a risk management premium credit at their next policy renewal.

HOW TO QUALIFY FOR A RISK MANAGEMENT PREMIUM CREDIT

SUCCESSFUL COMPLETION OF**MAY QUALIFY FOR A 5% PREMIUM CREDIT****2-3 CME CREDITS****1 YEAR PREMIUM CREDIT****4-5 CME CREDITS****2 YEAR PREMIUM CREDIT****6 OR MORE CME CREDITS****3 YEAR PREMIUM CREDIT**

- Course(s) should be successfully completed prior to the policy renewal date for which the premium credit should be applied.
- Activities completed prior to 1/1/2026 qualify for maximum 1-Year premium credit.
- Opioid/Pain Management education modules are required for Oklahoma licensure for MDs, DOs, PAs and APRNs. Therefore, no RM credit will be applied for these modules.
- Insureds who have less than 18 months remaining on a 3-Year premium credit may take courses for CME credit to extend the premium credit period.
- Insureds who have more than 18 months remaining on a 3-Year premium credit may take courses for CME credit only. No extension of the premium credit period will be made.
- Completion of a risk management course does not imply or guarantee renewal. Premium credit from PLICO does not imply acceptance of CME credit by a state board.
