

PLICO considers our role in supporting Oklahoma healthcare to be our highest honor. Due to the evolving situation and opting to act with an abundance of caution, we are adapting our requirements for our physicians and other clinicians to qualify for risk management premium credit. We will be offering several “virtual” learning opportunities along with supplemental online education modules to ensure that our insureds who wish to participate in Risk Management activities to qualify for the premium credit have the chance to do so in a safe environment.

Options for qualifying for 6% RM credit on 2021 renewal:

Oklahoma Physicians Virtual Forum, held Saturday, August 29, 2020

MedIQ Online Education modules

- Complete four (4) [online education modules](#)

While disappointed at not being able to gather this summer and fall, we are hopeful that our live programs can once again take place in 2021. We strive to provide unparalleled educational opportunities to the healthcare professionals in Oklahoma, and we will work diligently to prepare for *EXPLORE Healthcare Summit 2021*, scheduled for August 26-27, 2021 at the Embassy Suites Hotel & Conference Center in Norman, OK as well as our annual *Evening Rounds* presentations. Please do not hesitate to contact us at **405.815.4803** for additional information.
