

Evening Rounds is a risk management PREMIER ACTIVITY. PLICO is pleased to offer our insured providers the opportunity to attend Premier Activities\* throughout the year in 2024. In addition to complimentary *AMA PRA Category 1 CME™* credit, Evening Rounds sessions cover a variety of topics and provide valuable information to decrease risk and improve the quality of patient care.

### [MPL Lessons Learned: 10 Years in Review](#)

#### **Graham Billingham, MD, FACEP, FAAEM, Chief Medical Officer, MedPro Group**

Join Dr. Billingham as he highlights the current trends in medical malpractice frequency and severity. The overview will compare the National US experience with that of Oklahoma physicians. We will examine the present day issues in the court system, our claims experience and strategies being introduced by plaintiff and defense counsel. To conclude, we will identify future areas of emerging risk and risk prevention strategies.

Dinner and Registration: 5:00-6:00pm, Program: 6:00pm-8:00pm

- April 2: Oklahoma State Medical Association, Oklahoma City, OK
- April 3: Tulsa County Medical Society

### [Sorry Works!](#)

#### **Doug Wojcieszak**

This presentation will provide an overview of disclosure and apology principles using cases and real-world examples. Audience members will learn how to run to a problem and stay connected with consumers, even after crippling injuries or deaths potentially caused by medical errors. The presentation will show attendees how to implement disclosure principles in their practices and keep the culture alive going forward.

Lunch and Registration: 11am-11:45am, Program: 11:45am-1:45pm

- April 8: Bethany Children's Center

Dinner and Registration: 5:00-6:00pm, Program: 6:00pm-8:00pm

- April 8: Tulsa County Medical Society
